Additional tests or treatment may be required based on your health assessment or immigration requirements. Additional fees may apply.

Requirements

1. Valid original international passport
2. Valid HAP ID
3. E-Medical Referral Letter
4. Copies of medical reports/tests for any past or existing medical conditions
5. A list of current medications (if applicable)
6. Full immunisation records (optional)
7. Glasses or contact lenses (if applicable)
8. Evidence of payment

Please note that you may eat and take your usual medications (if applicable) before your appointment.

Applicants under 18 must come with a parent or guardian.

If pregnant

- Please note that applicants under 14 weeks pregnant are not allowed to undergo chest X-rays.
- Applicants whose pregnancies are over 14 weeks may choose to defer their chest X-ray and complete their screening after pregnancy OR proceed with the chest X-ray and screening.
- If you choose to proceed with the chest X-ray, you will be advised on the associated risks, and additional protection (double shielding) will be used for your chest X-ray. You will also be required to sign a consent form to proceed.

Effective October 2026
